The Board shall approve the request of the Owner or Owners under this Section within 30 days, or within such other period provided by the Declaration, unless the proposed reallocation does not comply with the Condominium Act or the Declaration. The failure of the Board to act upon a request within such period shall be deemed approval thereof. The amendment shall be recorded in the names of the parties and of the Condominium. A Common Element may be reallocated as a Limited Common Element, or a Limited Common Element may be incorporated into an existing Unit with the approval of 67% of the Owners, including the Owner of the Unit to which the Limited Common Element will be allocated or incorporated. Such reallocation or incorporation shall be reflected in an amendment to the Declaration and the Survey Map and Plans.

Uncovered parking spaces shall be allocated to Units as Limited Common Elements either in Schedule B or by amendment to Schedule B signed only by the Declarant. The Declarant may also designate certain parking spaces as guest/second car parking spaces in Schedule B or by amendment to Schedule B signed by the Declarant. Any parking spaces remaining unassigned after the earlier of one year after the conveyance by the Declarant of all Units in the Condominium or seven years after recording this Declaration shall be for

common or guest use subject to rules and regulations adopted by the Board. The Board may prohibit or restrict the parking of automobiles owned by Owners or their tenants in all or a portion of the common parking spaces.

Section 8.2 Rental of Parking Spaces The Owner of a Unit may rent a parking space which is a Limited Common Element of that Unit to the occupant of another Unit in the Condominium, but such rental shall be subject to termination upon 15 days' notice. Until all Units have been sold, the Declarant shall have the right to control the use of any unassigned parking spaces. Parking by guests in the guest/second car parking spaces shall be limited to 48 hours. The resident or residents of a Unit may park a second car in the guest/second car parking spaces, but may not park a third or any additional cars in such spaces. The Board may direct that any vehicle or other thing improperly parked or kept in a parking space be removed, and if it is not removed the Board may cause it to be removed at the risk and cost of the owner thereof.

## Article 9 PERMITTED USES, MAINTENANCE, CONVEYANCES

Section 9.1 Residential Use, Timesharing Prohibited The Units are intended primarily for and restricted to residential uses only, on an ownership, rental, or lease basis, and for social, recreational, or other reasonable activities normally incident to such use, including use as a home office not involving use by nonresident employees or regular visits by customers or clients. Timesharing of Units, as defined in RCW 64.36, is prohibited.

Section 9.2 Leases Any lease or rental agreement of a Unit must provide that its terms shall be subject in all respects to the provisions of the Declaration, the Bylaws, and rules and regulations of the Association and that any failure by the tenant to comply with the terms of such documents, rules, and regulations shall be a default under the lease or rental agreement. If any lease under this Section does not contain the foregoing provisions, such provisions shall nevertheless be deemed to be part of the lease and binding upon the Owner and the tenant by reason of their being stated in this Declaration. The Board may adopt a rule that requires any Owner desiring to rent a Unit to have any prospective tenant (other than a relative of the Owner) screened, at the Owner's cost, by a tenant screening service designated or approved by the Board and to furnish the report of the tenant screening service to the Board or its designee prior to Owner's entering into a lease with the prospective tenant. All leases and rental agreements shall be in writing. Copies of all leases and rental agreements shall be delivered to the Association before the tenancy commences. If any lessee or occupant of a Unit violates or permits the violation by his guests and invitees of any provisions hereof or of

the Bylaws or of the rules and regulations of the Association, and the Board determines that such violations have been repeated and that a prior notice to cease has been given, the Board may give notice to the lessee or occupant of the Unit and the Owner thereof to forthwith cease such violations. If the violation is thereafter repeated, the Board shall have the authority, on behalf and at the expense of the Owner, to evict the tenant or occupant if the Owner fails to do so after Notice from the Board and an Opportunity to be Heard. The Board shall have no liability to an Owner or tenant for any eviction made in good faith. The Association shall have a lien against the Owner's Unit for any costs incurred by it in connection with such eviction, including reasonable attorneys' fees, which may be collected and foreclosed by the Association in the same manner as Assessments are collected and foreclosed under Article 16. Other than as stated in this Section, there is no restriction on the right of any Owner to lease or otherwise rent his Unit.

Section 9.3 Maintenance of Units, Common Elements, and Limited Common Elements; Unit Inspections Except as provided below, the Association is responsible for maintenance, repair, and replacement of the Common Elements and the Limited Common Elements, and each Owner is responsible for maintenance, repair, and replacement of the Owner's Unit. Each Owner shall, at the Owner's sole expense, be responsible for the following:

- (a) Keeping the interior of the Unit, including its perimeter walls, floors and ceiling, and its equipment, appliances, and appurtenances in a clean and sanitary condition, free of rodents and pests, and in good order, condition, and repair, including all redecorating and painting at any time necessary to maintain the good appearance and condition of the Unit,
- (b) Replacement of any broken or damaged glass (including fogged glass or glass with broken seals) in the windows or exterior doors of the Unit,
- (c) Keeping the Limited Common Elements allocated to the Owner's Unit in a neat and clean condition and in accordance with such rules and regulations as may be adopted by the Association,
- (d) Operation, maintenance, cleaning, repair, or replacement of any plumbing, wiring, water heaters, fans, heating/cooling equipment and other equipment which serve only that Unit, whether or not located in the Unit, and for any damage caused by faulty or leaking plumbing fixtures or pipes, hot water tanks, sinks, bathtubs, toilets, dishwashers, washers, including any connecting hoses or drains.

The Association shall be responsible for repair and replacement of the Limited Common Element decks and patio adjacent to the Units, including keeping the deck surface free of leaks, and shall specially assess the cost thereof to the Unit Owner. The Association may, as a Common Expense, provide for the inspection of any portion of a Unit or Limited Common Element, the failure of which to maintain properly may cause damage to the Common Elements, Limited Common Elements, or another Unit or cause unnecessary Common Expenses, including, but not limited to, bathtubs, sinks, toilets, hot water tank, plumbing.

fixtures and pipes, and electrical fixtures and wiring. The Association shall provide at least three days' notice to the occupant of the Unit and shall specify in the notice what items are to be inspected and a time for the inspection. If the inspection discloses the need for repair or replacement, the Association may either require the responsible Owner to make the repair or replacement, or make the repair or replacement itself and specially assess the cost thereof to the Owner.

Section 9.4 Exterior Appearance In order to preserve a uniform exterior appearance of the buildings, the Board shall provide for the maintenance of the exterior of the buildings. No Owner may modify or decorate the exterior of a building, or screens, doors, awnings, or other portions of any Unit visible from outside the Unit without the prior written consent of the Board or in accordance with rules or regulations of the Association. No solar panels, wiring, radio or television antennas, satellite dish or other appliances may be installed on the exterior of a building without the prior written consent of the Board. Unless otherwise established by rule or regulation of the Board, all portions of curtains, blinds or draperies visible from outside the Units shall be white or off-white and the Owners shall not replace the glass or screens in the windows or doors of the Units except with materials of similar color and quality to those originally installed.

Section 9.5 Effect on Insurance Nothing shall be done or kept in any Unit or in any Common Element that will increase the rate of insurance on the property without the prior written consent of the Board. Nothing shall be done or kept in any Unit or in any Common Element that will result in the cancellation of insurance on any part of the property, or that would be in violation of any laws.

Section 9.6 Use or Alteration of Common and Limited Common Elements Use of the Common Elements and Limited Common Elements shall be subject to the provisions of this Declaration and the rules and regulations of the Board. Nothing shall be altered or constructed in or removed from any Common Element or Limited Common Element, including, but not limited to structures, storage buildings, sheds or storage containers, except upon the prior written consent of the Board or pursuant to rules and regulations of the Board, except that Declarant has reserved as a Development Right the right to remove the sheds depicted on the Survey Map and Plans and to close to all Owners and regulate use of the Common Element community center depicted on the Survey Map and Plans. Holiday lights are allowed to be displayed from December 1 to January 15. No other exterior lights may be installed by an Owner without prior Board approval.

Section 9.7 Trees and Shrubs No trees or shrubs greater than six feet tall may be cut down or removed from the Common Elements without the approval of the Board and Owners holding 67% of the votes in the Association. The Unit Owner shall be responsible for any damage to any trees or shrubs caused by the Owner or tenant, resident or guest of the Owner's Unit.

Section 9.8 Signs No signs, stickers, flags or banners may be displayed from any window. No real estate, for sale, for lease or other signs of any kind shall be displayed to the

public view on or from any Unit, Limited Common Element, or Common Element or at the entrance to the Condominium, provided that the Board may erect, on the Common Elements, a master directory listing Units that are for sale or lease. This Section shall not apply to the Declarant who may post such signs on the property as it deems necessary or appropriate for the sale or leasing of Units in the Condominium as long as the Declarant has a Unit for sale.

**Section 9.9 Pets** Domesticated animals, birds, or reptiles (herein referred to as "pets") may be kept in the Units subject to rules and regulations adopted by the Board. The Board may prohibit dangerous breeds of dogs. Dogs and cats shall not be permitted to roam at large in the Condominium. The Board may, after Notice and Opportunity to be Heard, at any time require the removal of any pet which it finds is disturbing other Owners unreasonably, and may exercise this authority for specific pets even though other pets are permitted to remain. In particular, the Board may require the removal of any dogs left alone in Limited Common Element decks or patios which disturb residents of other Units in the Condominium.

The monthly Assessments amounts established for the preceding year shall continue until new Assessments are established

Section 15.14 Reconciliation of Assessments to Actual Income and Expenses The Association shall establish and maintain its accounts and records in such a manner that will enable it to credit Assessments for Common Expenses and Specially Allocated Expenses, including allocations to reserves, and income to the Association to the account of the appropriate Units and make its expenditures from the appropriate accounts In order that the Unit Owners are correctly assessed for the actual expenses of the Association, the accounts of the Association shall be reconciled at least annually, unless the Board determines that a reconciliation would not result in a material savings to any Unit Owner, and any surpluses (or

deficits) in the accounts shall be credited to the benefit of or paid to (or charged to the account of or assessed against) the Owners of Units who paid the surplus (or owe the deficit)

Section 15 15 Certificate of Unpaid Assessments Upon the request of any Owner or Mortgagee of a Unit, the Board will furnish a certificate stating the amount, if any, of unpaid Assessments charged to the Unit. The certificate shall be conclusive upon the Board and the Association as to the amount of such indebtedness on the date of the certificate in favor of all purchasers and mortgagees of the Unit who rely on the certificate in good faith. The Board may establish a reasonable fee to be charged to reimburse it for the cost of preparing the certificate.

Section 15 16 Recalculation of Assessments If Common Expense Liabilities are reallocated, Common Expense Assessments, special Assessments, and any installment thereof not yet due shall be recalculated in accordance with the reallocated liabilities.

## Article 16 LIEN AND COLLECTION OF ASSESSMENTS

Section 16 1 Assessments Are a Lien, Priority The Association has a lien on a Unit for any unpaid Assessment levied against a Unit from the time the Assessment is due. A lien under this Article shall be prior to all other liens and encumbrances on a Unit except (a) liens and encumbrances recorded before the recording of this Declaration, (b) a mortgage on the Unit recorded before the date on which the Assessment sought to be enforced became delinquent, EXCEPT to the extent of Assessments for Common Expenses, excluding any amounts for capital improvements, based on the periodic budgets adopted by the Association pursuant to Article 15 which would have become due during the six months immediately preceding the date of a sheriff's sale in an action for judicial foreclosure by either the Association or a mortgagee, the date of a trustee's sale in a nonjudicial foreclosure of a mortgage, or the date of recording of the declaration of forfeiture in a proceeding by the vendor under a real estate contract, PROVIDED that the priority of the Association's lien against Units encumbered by a mortgage held by an Eligible Mortgagee or by a mortgagee which has given the Association a written request for a notice of delinquent Assessments shall be reduced by up to three months if and to the extent that such lien priority includes any delinquencies which relate to a period after such mortgagee becomes an Eligible Mortgagee or has given such notice and before the Association gives such mortgagee a written notice of the delinquency, and (c) liens for real property taxes and other governmental assessments or charges against the Unit. Recording of this Declaration constitutes record notice and perfection of the lien for Assessments, however, the Association may record a notice of claim of lien for Assessments in the real property records of the county in which the Condominium is located. Such recording shall not constitute the written notice of delinquency to a mortgagee referred to above.

Section 16 2 Lien May be Foreclosed, Judicial Foreclosure The lien arising under this Article may be enforced judicially by the Association or its authorized representative in the manner set forth in RCW 61 12, or nonjudicially in the manner set forth in Section 16 3. The Association or its authorized representative shall have the power to purchase the Unit at

the foreclosure sale and to acquire, hold, lease, mortgage, or convey the same. Upon an express waiver in the complaint of any right to a deficiency judgment in a judicial foreclosure action, the period of redemption shall be eight months. Nothing in this Section shall prohibit the Association from taking a deed in lieu of foreclosure. Except as provided in the exception to (b) in Section 16.1, the holder of a mortgage or other purchaser of a Unit who obtains the right of possession of a Unit through foreclosure shall not be liable for any Assessments or installments thereof that became due prior to such right of possession. Such unpaid Assessments shall be deemed to be Common Expenses collectible from all the Owners, including such mortgagee or other purchaser of the Unit. Foreclosure of a mortgage does not relieve the prior Owner of personal liability for Assessments accruing against the Unit prior to the date of such sale.

**Section 16.3 Nonjudicial Foreclosure** A lien arising under this Article may be foreclosed nonjudicially in the manner set forth in RCW 61.24 for nonjudicial foreclosure deeds of trust. For the purpose of preserving the Association's nonjudicial foreclosure option, this Declaration shall be considered to create a grant of each Unit in trust to Pacific Northwest Title Company of Washington, Inc. or its successors or assigns ("Trustee"), to secure the obligations of each Unit Owner ("Grantor") to the Association ("Beneficiary") for the payment of Assessments. Grantor shall retain the right to possession of Grantor's Unit so long as Grantor is not in default of an obligation to pay Assessments. The Trustee shall have a power of sale with respect to each Unit, which becomes operative in the case of a default in a Grantor's obligation to pay Assessments. The Units are not used principally for agricultural or farming purposes. If the Association forecloses its lien nonjudicially pursuant to this Section, it shall not be entitled to the lien priority over mortgages provided in exception (b) of Section 16.1.

**Section 16.4 Receiver During Foreclosure** From the time of commencement of an action by the Association to foreclose a lien for nonpayment of delinquent Assessments against a Unit that is not occupied by the Owner thereof, the Association shall be entitled to the appointment of a receiver to collect from the lessee thereof the rent for the Unit as and when due. If the rent is not paid, the receiver may obtain possession of the Unit, refurbish it for rental up to a reasonable standard for rental Units in this type of Condominium, rent the Unit or permit its rental to others, and apply the rents first to the cost of the receivership and attorneys' fees thereof, then to the cost of refurbishing the Unit, then to applicable charges, then to costs, fees, and charges of the foreclosure action, and then to the payment of the delinquent Assessments. Only a receiver may take possession and collect rents under this Section, and a receiver shall not be appointed less than 90 days after the delinquency. The exercise by the Association of the foregoing rights shall not affect the priority of preexisting liens on the Unit.

**Section 16.5 Assessments Are Personal Obligation** In addition to constituting a lien on the Unit, all sums assessed by the Association chargeable to any Unit, including all charges provided in this Article, shall be the personal obligation of the Owner of the Unit when the Assessments are made. Suit to recover personal judgment for any delinquent Assessments shall be maintainable without foreclosing or waiving the liens securing them.

Section 16 6 Extinguishment of Lien and Personal Liability A lien for unpaid Assessments and the personal liability for payment of Assessments is extinguished unless proceedings to enforce the lien or collect the debt are instituted within three years after the amount of the Assessments sought to be recovered becomes due

Section 16 7 Joint and Several Liability In addition to constituting a lien on the Unit, each Assessment shall be the joint and several obligation of the Owner or Owners of the Unit to which the same are assessed as of the time the Assessment is due In a voluntary conveyance, the grantee of a Unit shall be jointly and severally liable with the grantor for all unpaid Assessments against the grantor up to the time of the grantor's conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor Suit to recover a personal judgment for any delinquent Assessment shall be maintainable in any court of competent jurisdiction without foreclosing or waving the lien securing such sums

Section 16 8 Late Charges and Interest on Delinquent Assessments The Association may from time to time establish reasonable late charges and a rate of interest to be charged on all subsequent delinquent Assessments or installments thereof In the absence of another established nonusurious rate, delinquent Assessments shall bear interest from the date of delinquency at the maximum rate permitted under RCW 19 52 020 on the date on which the Assessments became delinquent

Section 16 9 Recovery of Attorneys' Fees and Costs The Association shall be entitled to recover any costs and reasonable attorneys' fees incurred in connection with the collection of delinquent Assessments, whether or not such collection activities result in suit being commenced or prosecuted to judgment In addition, the Association shall be entitled to recover costs and reasonable attorneys' fees if it prevails on appeal and in the enforcement of a judgment

Section 16 10 Security Deposit An Owner who has been delinquent in paying his monthly Assessments for three of the five preceding months may be required by the Board, from time to time, to make and maintain a security deposit not in excess of three months' estimated monthly Assessments, which shall be collected and shall be subject to penalties for nonpayment as are other Assessments The deposit shall be held in a separate fund, credited to such Owner, and may be resorted to at any time when such Owner is 10 days or more delinquent in paying Assessments

Section 16.1 Remedies Cumulative The remedies provided herein are cumulative and the Board may pursue them, and any other remedies which may be available under law although not expressed herein, either concurrently or in any order

Article 17. ENFORCEMENT OF DECLARATION, BYLAWS, AND RULES AND REGULATIONS

Section 17.1 Rights of Action Each Owner, the Board, and the Association shall comply strictly with this Declaration, the Bylaws, and the rules and regulations adopted pursuant thereto, as they may be lawfully amended from time to time, and the decisions of the Board. Failure to comply with any of the foregoing shall be grounds for an action to recover sums due, damages, and for injunctive relief, or any or all of them, maintainable by the Board on behalf of the Association or by an Owner

Section 17.2 Failure of Board to Insist on Strict Performance No Waiver The failure of the Board in any instance to insist upon the strict compliance with this Declaration or the Bylaws or rules and regulations of the Association, or to exercise any right contained in such documents, or to serve any notice or to institute any action, shall not be construed as a waiver or a relinquishment for the future of any term, covenant, condition, or restriction. The receipt by the Board of payment of an Assessment from an Owner, with knowledge of a breach by the Owner, shall not be a waiver of the breach. No waiver by the Board of any requirement shall be effective unless expressed in writing and signed for the Board. This Article also extends to the Declarant

Section 17.3 Board Enforcement The Board has the authority to enforce the Declaration, Bylaws, and Rules and Regulations of the Condominium by imposing the remedies provided herein. After repeated violations of the Declaration, Bylaws, or Rules and Regulations by an Owner and after an Owner's Right to Notice and Opportunity to be Heard, the Board shall have the authority to file an action for damages and for injunctive relief, including in a proper case, removal of the Owner from the Owner's Unit and the authority to pursue any and all remedies available in law or equity

Article 18 TORT AND CONTRACT LIABILITY

Section 18.1 Association Liability An action alleging a wrong done by the Association must be brought against the Association and not against any Owner or any officer or director of the Association

Section 18.2 Limitation of Liability for Utility Failure, etc Except to the extent covered by insurance obtained by the Board, neither the Association, the Board, the Managing Agent, nor the Declarant shall be liable for the failure of any utility or other service to be obtained and paid for by the Board, or for injury or damage to person or property caused by the elements, or resulting from electricity, water, rain, dust, or sand which may leak or flow from outside or from any parts of the building, or from any of their pipes, drains, conduits, appliances, or equipment, or from any other place, or for inconvenience or discomfort resulting from any action taken to comply with any law, ordinance, or orders of a governmental authority. No diminution or abatement of Assessments shall be claimed or allowed for any such utility or service failure, or for such injury or damage, or for such inconvenience or discomfort.

Section 18.3 No Personal Liability So long as a Board member, Association committee member, Association officer, the Declarant, or the Managing Agent has acted in good faith, without willful or intentional misconduct, upon the basis of such information as is then possessed by such person, no such person shall be personally liable to any Owner, or to any other person, including the Association, for any damage, loss, or prejudice suffered or claimed on account of any act, omission, error, or negligence of such person, provided that this Section shall not apply when the consequences of such act, omission, error, or negligence is covered by insurance obtained by the Board.

#### Article 19 INDEMNIFICATION

Each Board member, Association committee member, Association officer, the Declarant, and the Managing Agent shall be indemnified by the Association against all expenses and liabilities, including attorneys' fees, reasonably incurred by or imposed in connection with any proceeding to which such person may be a party, or in which such person may become involved, by reason of holding or having held such position, or any settlement thereof, whether or not such person holds such position at the time such expenses or liabilities are incurred, except to the extent such expenses and liabilities are covered by any type of insurance and except in such cases wherein such person is adjudged guilty of willful misfeasance in the performance of such person's duties, provided, that in the event of a settlement, the indemnification shall apply only when the Board approves such settlement and reimbursement as being for the best interests of the Association.

#### Article 20 INSURANCE

Section 20.1 General Requirements Commencing not later than the time of the first conveyance of a Unit to a person other than the Declarant, the Association shall maintain, to the extent reasonably available, a policy or policies and bonds necessary to provide (a) property insurance, (b) commercial general liability insurance, (c) fidelity insurance, (d) worker's compensation insurance to the extent required by applicable laws, (e) directors

and officers liability insurance, and (f) such other insurance as the Board deems advisable. The Board shall review at least annually the adequacy of the Association's insurance coverage. All insurance shall be obtained from insurance carriers that are generally acceptable for similar projects, authorized to do business in the state of Washington, and meet the specific requirements of FNMA, HUD, VA, and FHLMC regarding the qualifications of insurance carriers. Notwithstanding any other provisions herein, the Association shall continuously maintain in effect property, liability, and fidelity insurance that meets the insurance requirements for condominium projects established by FNMA, HUD, FHLMC, and VA so long as any of them is a holder of a mortgage or Owner of a Unit, except to the extent such coverage is not available or has been waived in writing by them. All such insurance policies shall provide that coverage may not be canceled or substantially modified (including cancellation for nonpayment of premium) without at least 30 days' prior written notice to any and all insureds named therein, including Owners, Mortgagees, and designated servicers of Mortgagees.

Section 20 2 Property Insurance, Deductible, Owner Responsibility The property insurance shall, at the minimum and subject to such reasonable deductible as the Board may determine, provide all risk or special cause of loss coverage in an amount equal to the full replacement cost of the Common Elements, the Limited Common Elements, the Units, and the equipment, fixtures, appliances, improvements in the Units installed by the Declarant, and personal property of the Association with an "Agreed Amount Endorsement" and, if required by FNMA or FHLMC, construction code endorsements, such as a "Demolition Cost Endorsement," a "Contingent Liability from Operation of Building Laws Endorsement," an "Increased Cost of Construction Endorsement," and such other endorsements as FNMA or FHLMC deems necessary and are available. The policy shall provide a separate loss payable endorsement in favor of the Mortgagee of each Unit. The policy may, in the discretion of the Board, cover improvements or betterments installed by the Unit Owners and loss due to earthquake. The Association or insurance trustee, if any, shall hold insurance proceeds in trust for the Owners and their Mortgagees, as their interests may appear. Each Owner and the Owner's Mortgagee, if any, shall be beneficiaries of the policy in accordance with the interest in the Common Elements appertaining to the Owner's Unit. Certificates of insurance shall be issued to each Owner and Mortgagee upon request. Up to the amount of the deductible under the Association's policy, each Unit Owner shall be responsible for (a) damage or loss within the Owner's Unit, (b) damage to another Unit or to the Common Elements resulting from the negligence or misconduct of the Unit Owner or tenant of the Owner's Unit, or (c) damage resulting from faulty or leaking plumbing fixtures or pipes, hot water tanks, sinks, bathtubs, toilets, dishwashers, washers, including any connecting hoses or drains in or serving only the Owner's Unit.

Section 20 3 Commercial General Liability Insurance The liability insurance coverage shall insure the Board, the Association, the Owners, the Declarant, and the Managing Agent, and cover all of the Common Elements in the Condominium with a "Severability of Interest Endorsement" or equivalent coverage which would preclude the insurer from denying the claim of an Owner because of the negligent acts of the Association or of another Owner, and shall cover liability of the insureds for property damage, bodily

injury, and death of persons arising out of the operation, maintenance, and use of the Common Elements, host liquor liability, employers' liability insurance, automobile liability insurance, and such other risks as are customarily covered with respect to residential condominium projects of similar construction, location, and use. The limits of liability shall be in amounts generally required by Mortgagees for projects of similar construction, location and use but shall be at least \$1,000,000 combined single limit for bodily injury and property damage per occurrence and \$2,000,000 general aggregate.

Section 20.4. Insurance Claims, Insurance Trustee, Power of Attorney The named insured under the policies referred to in Section 20.2 and Section 20.3 shall be the Association, as trustee for each of the Owners in accordance with their respective interests in the Common Elements. All claims made against the Association's insurance policy must be approved by the Board. The insurance proceeds may be made payable to any trustee with which the Association enters into an insurance trust agreement, or any successor trustee, who shall have exclusive authority to negotiate losses under the policies. Subject to the provisions of Section 20.8, the proceeds must be disbursed first for the repair or restoration of the damaged property, and Unit Owners and lienholders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the property has been completely repaired or restored or the Condominium is terminated. Each Owner appoints the Association, or any insurance trustee or successor trustee designated by the Association, as attorney-in-fact for the purpose of purchasing and maintaining such insurance, including the collection and appropriate disposition of the proceeds thereof, the negotiation of losses and execution of releases of liability, the execution of all documents, and the performance of all other acts necessary to accomplish such purposes.

Section 20.5. Additional Policy Provisions The insurance obtained pursuant to Section 20.2 and Section 20.3 shall contain the following provisions and limitations:

20.5.1 Each Unit Owner is an insured person under the policy with respect to liability arising out of the Owner's interest in the Common Elements or membership in the Association.

20.5.2 Such policies shall not provide for contribution by or assessment against Mortgagees or become a lien on the property superior to the lien of a first mortgage.

20.5.3 If, at the time of the loss under the policy, there is other insurance in the name of the Unit Owner covering the same risk covered by the policy, the Association's policy provides primary insurance.

20.5.4 Coverage shall not be prejudiced by (a) any act, omission, or neglect of the Owners of Units when such act or neglect is not within the scope of the Owner's authority on behalf of the Association, or (b) failure of the Association to comply with any warranty or condition with regard to any portion of the premises over which the Association has no control.

20 5 5 A waiver of subrogation by the insurer as to any and all claims against the Association, the Owner of any Unit, and/or their respective agents, members of the Owner's household, employees, or lessees, and of any defenses based upon co-insurance or upon invalidity arising from the acts of the insured

20 5 6 A standard mortgagee clause which shall

(a) Provide that any reference to a mortgagee in the policy shall mean and include all Mortgagees of any Unit or Unit lease or sublease in their respective order of preference, whether or not named therein,

(b) Provide that such insurance as to the interest of any Mortgagee shall not be invalidated by any act or neglect of the Board or Owners or any persons under any of them,

(c) Waive any provision invalidating such mortgage clause by reason of the failure of any Mortgagee to notify the insurer of any hazardous use or vacancy, any requirement that the Mortgagee pay any premium thereon, and any contribution clause, and

(d) Provide that, without affecting any protection afforded by such mortgagee clause, any proceeds payable under such policy shall be payable to the Association or the insurance trustee

Section 20 6 Fidelity Insurance. The required fidelity insurance shall afford coverage to protect against dishonest acts on the part of officers, directors, trustees, and employees of the Association and all other persons who handle or are responsible for handling funds of or administered by, the Association. The Managing Agent shall maintain fidelity insurance for its officers, employees, and agents who handle or who are responsible for handling funds of, or funds administered by the Association. All such fidelity insurance shall name the Association as an obligee and shall be not less than the estimated maximum of funds, including reserve funds, in custody of the Association at any time during the term of each policy, but, in no event, shall the aggregate amount of insurance be less than three months' aggregate Assessments. The policy shall contain waivers of any defense based upon the exclusion of persons who serve without compensation from any definition of "employee" or similar expression

Section 20.7 Owners' Individual Insurance. An insurance policy issued to the Association does not prevent an Owner from obtaining insurance for the Owner's own benefit. Each Unit Owner shall be required to obtain and maintain standard condominium unit owners insurance designating the Association as an "Additional Insured" under the Owner's policy. The Board may establish, in rules and regulations of the Association, the minimum coverage for the Owners' policies. The Association shall have right but not the obligation to monitor the maintenance of such insurance by Unit Owners and shall have to right, but not the obligation, to obtain such insurance for the Unit Owner if the Owner fails to obtain or maintain and specially assess the cost to the Owner

Section 20 8 Use of Insurance Proceeds Any portion of the Condominium for which insurance is required under this Article which is damaged or destroyed shall be repaired or replaced promptly by the Association pursuant to Article 21 unless (a) the Condominium is terminated, (b) repair or replacement would be illegal under any state or local health or safety statute or ordinance, or (c) Owners holding at least 80% of the votes in the Association, including every Owner of a Unit or Limited Common Element which will not be rebuilt, and Owners other than the Declarant holding at least 80% the votes in the Association excluding votes held by the Declarant vote not to rebuild. The cost of repair or replacement in excess of the deductible, insurance proceeds and available reserves is a Common Expense. The Unit Owner shall be responsible for the amount of the deductible applicable to damage or loss within the Owner's Unit. If all of the damaged or destroyed portions of the Condominium are not repaired or replaced: (i) The insurance proceeds attributable to the damaged Common Elements shall be used to restore the damaged area to a condition compatible with the remainder of the Condominium, (ii) the insurance proceeds attributable to Units and Limited Common Elements which are not rebuilt shall be distributed to the Owners of those Units and the Owners of the Units to which those Limited Common Elements were allocated, or to lienholders, as their interests may appear, and (iii) the remainder of the proceeds shall be distributed to all the Unit Owners or lienholders, as their interests may appear, in proportion to the interest in Common Elements of each Unit. If the Unit Owners vote not to rebuild any Unit, that Unit's Allocated Interests are automatically reallocated upon the vote as if the Unit had been condemned under Article 22, and the Association promptly shall prepare, execute, and record an amendment to this Declaration reflecting the reallocations. Notwithstanding the provisions of this Section, Article 26 governs the distribution of insurance proceeds if the Condominium is terminated.

#### Article 21 DAMAGE AND REPAIR OR DAMAGE TO PROPERTY

Section 21 1 Initial Board Determination In the event of damage to any Common Element or to any portion of a Unit or its Limited Common Elements, equipment, or appliances covered by the Association's insurance policy, the Board shall promptly, and in all events within 60 days after the date of damage, make the following determinations with respect thereto, employing such advice as the Board deems advisable:

21 1 1 The nature and extent of the damage, together with an inventory of the improvements and property directly affected thereby.

21 1 2 A reasonably reliable estimate of the cost to repair the damage, which estimate shall, if reasonably practicable, be based upon two or more firm bids obtained from responsible contractors.

21 1 3 The expected insurance proceeds, if any, to be available from insurance covering the loss based on the amount paid or initially offered by the insurer.

21 1 4 The amount of the deductible to be paid by a Unit Owner with respect to damage or loss within the Owner's Unit

21 1 5 The amount of available reserves or other Association funds, although the Board is not required to use any reserves or other Association funds, and

21 1 6 The amount, if any, by which the estimated cost of repair exceeds the portion of the deductible to be paid by a Unit Owner, expected insurance proceeds and available reserves or other Association funds, and the amount of the Assessments that would have to be made against each Unit if the excess cost were to be paid as a Common Expense and assessed against all the Units in proportion to their Common Expense Liabilities

Section 21 2 Notice of Damage The Board shall promptly, and in all events within 60 days after the date of damage, file a proof of loss statement with the insurance company if the loss is covered by insurance and abide by all terms and conditions of its insurance policies, unless the Board determines it would not be in the best interest of the Association to file a proof of loss. The Board shall then provide each Owner with a written notice describing the damage and summarizing the initial Board determinations made under Section 21 1. If the damage affects a material portion of the Condominium, the Board shall also send the notice to each Mortgagee, and if the damage affects a Unit, the Board shall send the notice to the Mortgagee of that Unit. If the Board fails to do so within the 60-day period, any Owner or Mortgagee may make the determinations required under Section 21 1 and give the notice required under this Section.

Section 21 3 Definitions Damage, Substantial Damage, Repair, Emergency Work  
As used in this Article

21 3 1 Damage shall mean all kinds of damage, whether of slight degree or total destruction

21 3 2 Substantial Damage shall mean that the estimated Assessment determined under Subsection 21 1 4 for any one Unit exceed 10% of the full, fair market value of the Unit before the damage occurred, as determined by the then current assessment for the purpose of real estate taxation

21 3 3 Repair shall mean restoring the improvements to substantially the condition they were in before they were damaged, with each Unit and the Common Elements having substantially the same boundaries as before. Modifications to conform to applicable governmental rules and regulations or available means of construction may be made.

21 3 4 Emergency Work shall mean work that the Board deems reasonably necessary to avoid further damage or substantial diminution in value to the improvements and to protect the Owners from liability from the condition of the site

Section 21.4 Execution of Repairs

21 4 1 The Board shall promptly repair the damage and use the available insurance proceeds therefor as provided in Section 20 8, but only the Board may authorize a claim under the Association's insurance policy. If the cost of repair exceeds the amount of the deductible to be paid by a Unit Owner, anticipated insurance proceeds and available reserves or other Association funds, the Board shall impose Assessments against all Units in proportion to their Common Expense Liabilities in an aggregate amount sufficient to pay the excess costs.

21 4 2 The Board shall have the authority to employ architects and engineers, advertise for bids, let contracts to contractors and others, and take such other action as is reasonably necessary to make the repairs. Contracts for the repair work shall be awarded when the Board, by means of insurance proceeds and sufficient Assessments, has provided for paying the cost. The Board may authorize the insurance carrier to make the repairs if the Board is satisfied that the work will be done satisfactorily, and if such authorization does not contravene any insurance trust agreement or requirement of law.

21 4 3 The Board may enter into a written agreement with a reputable financial institution, trust, or escrow company in which that institution or company shall act as an insurance trustee to adjust and settle any claim for casualty loss in excess of \$50,000, or shall collect the insurance proceeds and carry out the provisions of this Article.

Section 21 5 Damage Not Substantial If the damage as determined under Subsection 21 3 2 is not substantial, the provisions of this Section shall apply.

21 5 1 Either the Board or the requisite number of Owners, within 15 days after the notice required under Section 21 2 has been given, may but shall not be required to call a special Owners' meeting in accordance with Section 12 4 and the Bylaws to decide whether to repair the damage.

21 5 2 Except for emergency work, no repairs shall be commenced until after the 15-day period and until after the conclusion of the special meeting if such a special meeting is called within the 15 days.

21 5 3 A decision to not repair or rebuild may be made in accordance with Section 20 8.

Section 21 6 Substantial Damage If the damage determined under Subsection 21 3 2 is substantial, the provisions of this Section shall apply.

21 6 1 The Board shall promptly, and in all events within 60 days after the date of damage, call a special Owners' meeting to consider repairing the damage. If the Board fails to do so within 60 days, then notwithstanding the provisions of Section 12 4 and the Bylaws, any Owner or first mortgagee of a Unit may call and conduct the meeting.

21 6 2 Except for emergency work, no repairs shall be commenced until the conclusion of the special Owners' meeting

21 6 3 At the special meeting, the following consent requirements will apply

(a) The Owners shall be deemed to have elected to repair the damage in accordance with the original plan unless the Owners of at least 80% of the total voting power of the Condominium other than that held by the Declarant, including every Owner of a Unit which will not be rebuilt and every Owner of a Unit to which a Limited Common Element which will not be rebuilt is allocated, have given their written consent not to repair the damage

(b) The unanimous consent of all Owners will be required to elect to rebuild in accordance with a plan that is different from the original plan

(c) In addition to the consent by the Owners specified above, any election not to repair the damage or not to rebuild substantially in accordance with the original plan will require the approval of eligible holders of first mortgages on Units that have at least 51% of the votes subject to eligible holder mortgages

(d) Failure to conduct the special meeting provided for under Subsection 21 6 1 within 90 days after the date of damage shall be deemed a unanimous decision to repair the damage in accordance with the original plan

Section 21 7 Effect of Decision Not to Repair In the event of a decision under either Subsection 21 5 3 or 21 6 3 not to repair the damage, the Board may nevertheless expend so much of the insurance proceeds and common funds as the Board deems reasonably necessary for emergency work (which emergency work may include but is not necessarily limited to removal of the damaged improvements and clearing, filling, and grading the land), and the remaining funds, if any, and the property shall thereafter be held and distributed as provided in Section 20 8

## Article 22 CONDEMNATION

Section 22.1 Consequences of Condemnation, Notices If any Unit or portion thereof or the Common Elements or Limited Common Elements or any portion thereof is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, notice of the proceeding or proposed acquisition shall promptly be given to each Owner and Mortgagee and the provisions of this Article shall apply

Section 22 2 Power of Attorney Each Owner appoints the Association as attorney-in-fact for the purpose of representing the Owners in condemnation proceedings and

negotiations, settlements and agreements with the condemning authority for acquisition of Common Elements or any part thereof, from the condemning authority. The Board may appoint a trustee to act on behalf of the Owners in carrying out the foregoing functions in lieu of the Association. Should the Association not act, based on their right to act pursuant to this Section, the affected Owners may individually or jointly act on their own behalf.

Section 22.3 Condemnation of a Unit If a Unit is acquired by condemnation, or if part of a Unit is acquired by condemnation leaving the Unit Owner with a remnant of a Unit which may not practically or lawfully be used for any purpose permitted by this Declaration, the award must compensate the Owner for the Owner's Unit and its appurtenant interest in the Common Elements, whether or not any Common Elements are acquired. The proceeds from the condemnation of a Unit shall be paid to the Owner or lienholder of the Unit, as their interests may appear. Upon acquisition, unless the decree otherwise provides, that Unit's Allocated Interests are automatically reallocated to the remaining Units in proportion to the respective Allocated Interests of those Units before the taking, and the Association shall promptly prepare, execute, and record an amendment to this Declaration reflecting the reallocations. Any remnant of a Unit remaining after part of a Unit is taken under this Section is thereafter a Common Element.

Section 22.4 Condemnation of Part of a Unit Except as provided in Section 22.3, if part of a Unit is acquired by condemnation, the award must compensate the Unit Owner for the reduction in value of the Unit and its appurtenant interest in the Common Elements, whether or not any Common Elements are acquired. The proceeds from the condemnation awarded to the Unit Owner shall be paid to the Owner or lienholders of the Unit, as their interests may appear. Upon acquisition, unless the decree otherwise provides, (a) that Unit's Allocated Interests are reduced in proportion to the reduction in the size of the Unit and (b) the portion of the Allocated Interests divested from the partially acquired Unit are automatically reallocated to that Unit and the remaining Units in proportion to the respective Allocated Interests of those Units before the taking, with the partially acquired Unit participating in the reallocation on the basis of its reduced Allocated Interests.

Section 22.5 Condemnation of Common Element or Limited Common Element If part of the Common Elements is acquired by condemnation, the portion of the award attributable to the Common Elements taken shall be paid to the Owners based on their respective interests in the Common Elements, or to lienholders, as their interests may appear. Any portion of the award attributable to the acquisition of a Limited Common Element must be equally divided among the Owners of the Units to which that Limited Common Element was allocated at the time of the acquisition, or to lienholders, as their interests may appear. If the Board determines that a particular Owner's interest in the Common Elements diminished with respect to other Owners, by the acquisition of a Common Element, the Declaration may be amended to adjust that Owner's Common Expense Liability allocation, or to remove the allocation of a Limited Common Element to that Owner's Unit, as the case may be.

Section 22.6 Reconstruction and Repair Any reconstruction and repair necessitated by condemnation shall be governed by the procedures specified in Article 21.

## Article 23 EASEMENTS

Section 23.1 In General Each Unit has an easement in and through each other Unit and the Common and Limited Common Elements for all support elements and utility, wiring, heat, and service elements, and for reasonable access thereto, as required to effectuate and continue proper operation of the Condominium.

Section 23.2 Encroachments To the extent not provided by the definition of "Unit" in the Declaration and in the Condominium Act, each Unit and all Common and Limited Common Elements are hereby declared to have an easement over all adjoining Units and Common and Limited Common Elements for the purpose of accommodating any present or future encroachment as a result of engineering errors, construction, reconstruction, repairs, settlement, shifting, or movement of any portion of the property, or any other similar cause, and any encroachment due to building overhang or projection. There shall be valid easements for the maintenance of the encroaching Units and Common and Limited Common Elements so long as the encroachments shall exist, and the rights and obligations of Owners shall not be altered in any way by the encroachment, provided, however, that in no event shall a valid easement for encroachment be created in favor of a Unit if the encroachment was caused by the willful act with full knowledge of the Owner. The encroachments described in this Section shall not be construed to be encumbrances affecting the marketability of title to any Unit.

Section 23.3 Easement Specifically Reserved by the Declarant The Declarant reserves an access easement over, across, and through the Common Elements of the Condominium for the purpose of completing any unfinished Units or other improvements, exhibiting and preparing Units for sale, making repairs required pursuant to any contract of sale or under the Act, and discharging the Declarant's obligations or exercising Development Rights and Special Declarant Rights.

Section 23 4 Utility Easements Granted by the Declarant The Declarant grants to each company or municipality providing utility services to the Condominium or to the Units in the Condominium an easement for the installation, construction, maintenance, repair, and reconstruction of all utilities serving the Condominium or the Owners, including, without limitation, such utility services as water, sanitary sewer, storm sewer, electricity, cable television, and telephone, and an easement for access over and under the Common Elements of the Condominium to the utility service facilities

#### Article 24 PROCEDURES FOR SUBDIVIDING OR ALTERING UNITS

Section 24 1 Submission of Proposal to Subdivide Unit No Unit or Units shall be subdivided either by agreement or legal proceedings, except as provided in this Article. An Owner may propose subdividing a Unit or Units by submitting the proposal in writing to the Board and to all other Owners and Mortgagees of the Unit to be subdivided or combined. A proposal to subdivide a Unit must also be given to every first Mortgagee of any Unit in the Condominium. The proposal must include complete plans and specifications for accomplishing the subdivision and proposed amendments of this Declaration and the Survey Map and Plans, which amendments shall be executed by the Owner of the Unit to be subdivided upon approval pursuant to this Section, and which amendments assign an identifying number to each Unit created, and reallocate the Allocated Interests and liabilities formerly allocated to the subdivided Unit to the new Units in any reasonable manner prescribed by the Owner of the subdivided Unit. The Owner of the Unit to be subdivided shall bear all costs of the subdivision. A proposal that contemplates subdivision of a Unit will be accepted only if approved in writing by all Owners and Mortgagees of the Unit or Units to be subdivided, the Board and 51% of Eligible Mortgagees.

Section 24 2 Minor Alterations, Hard Surface Flooring No Unit may be altered in any way except in accordance with this Article. An Owner may make any improvements or alterations to the Owner's Unit that do not affect the structural integrity or mechanical or electrical systems or lessen the support of any portion of the Condominium. Owners of Units which are over other Units may install hard surface flooring only in the entry, kitchen and bathrooms. An Owner may not change the appearance of the Common Elements or the exterior appearance of a Unit without permission of the Association pursuant to the procedures of Section 24 4.

Section 24 3 Adjoining Units After acquiring an adjoining Unit or an adjoining part of any adjoining Unit, an Owner may, with approval of the Board pursuant to Section 24 4, remove or alter any intervening partition or create apertures therein, even if the partition in whole or in part is a Common Element, if those acts do not adversely affect the structural integrity or mechanical or electrical systems or lessen the support of any portion of the Condominium. Removal of partitions or creation of apertures under this subsection is not a relocation of boundaries. The Owner's proposal to act under this Section shall be submitted

to the Board and shall include the plans and specifications for the proposed removal or alteration.

Section 24 4 Substantial Alteration Except for the Declarant's completing renovations to Units, a proposal that contemplates substantial alteration of one or more Units is subject to approval by the Board. The Board shall approve an Owner's request under this Section within 30 days, unless the Board reasonably determines that proposed alteration would impair the structural integrity or mechanical or electrical systems in the Condominium. The failure of the Board to act upon a request within such period shall be deemed approval thereof.

Section 24 5 Procedure After Approval Upon approval of a proposal under this Article, the Owner making it may proceed according to the proposed plans and specifications, provided that the Board may in its discretion require that the Board administer the work or provide for the protection of other Units or Common Elements or provide that reasonable deadlines for completion of the work be inserted in the contracts for the work. The changes in the Survey Map Plans and Declaration shall be placed of record as amendments thereto.

Section 24 6 Relocation of Boundaries-Adjoining Units The boundaries between adjoining Units may only be relocated by an amendment to the Declaration, pursuant to Article 25, upon application to the Board by the Owners of those Units. If the Owners of the adjoining Units have specified a reallocation between their Units of their allocated interests, the application must state the proposed reallocations. Unless the Board determines within 30 days that the reallocations are unreasonable, the Association shall prepare an amendment that identifies the Units involved, states the reallocations, is executed by the Unit Owners, contains words of conveyance between them, and is recorded in the name of the grantor and the grantee. The Association shall obtain and record survey maps or plans complying with the requirements of RCW 64 34.232(4) necessary to show the altered boundaries between adjoining Units and their dimensions and identifying numbers. The Owner or Owners benefited by a reallocation of Unit boundaries shall bear all costs associated therewith in proportion to the relative benefits to each such Unit as determined by the Board.

#### Article 25 AMENDMENT OF DECLARATION SURVEY MAP AND PLANS, ARTICLES, OR BYLAWS

Section 25 1 Procedures Except in cases of amendments that may be executed by the Declarant under the Declaration or the Condominium Act, the Declaration, the Survey Map and Plans, the Articles, and the Bylaws may be amended only by vote or agreement of the Owners, as specified in this Article. An Owner may propose amendments to this Declaration or the Survey Map and Plans, the Articles, or the Bylaws to the Board. A majority of the members of the Board may cause a proposed amendment to be submitted to the members of the Association for their consideration. If an amendment is proposed by Owners with 20% or more of the votes in the Association, then, irrespective of whether the Board concurs in the proposed amendment, it shall be submitted to the members of the

Association for their consideration at their next regular or special meeting for which timely notice must be given. Notice of a meeting at which an amendment is to be considered shall include the text of the proposed amendment. Amendments may be adopted at a meeting of the Association or by written consent of the requisite number of persons entitled to vote, after notice has been given to all persons (including Eligible Mortgagees) entitled to receive notices. Upon the adoption of an amendment and the obtaining of any necessary consents of Eligible Mortgagees as provided below, amendment to the Declaration or the Survey Map and Plans will become effective when it is recorded or filed in the real property records in the county in which the Condominium is located. The amendment shall be indexed in the name of the Condominium and shall contain a cross-reference by recording number to the Declaration and each previously recorded amendment thereto. Such amendments shall be prepared, executed, recorded, and certified on behalf of the Association by any officer of the Association designated for that purpose or, in the absence of designation, by the president of the Association. No action to challenge the validity of an amendment adopted by the Association pursuant to this Article may be brought more than one year after the amendment is recorded. An amendment to the Articles shall be effective upon filing the amendment with the Secretary of State. An amendment to the Bylaws shall be effective upon adoption.

Section 25.2 Percentages of Consent Required Except as provided in Article 21 and Article 22 in the case of damage or condemnation of the property or in the case of amendments made by the Declarant pursuant to reserved Development Rights in this Declaration, the percentages of consent of Owners and mortgagees required for adoption of amendments to the Declaration, the Survey Map and Plans, the Articles, and the Bylaws are as follows:

25 2 2 An amendment that creates or increases Special Declarant Rights, increases the number of Units, changes the boundaries of any Unit, the Allocated Interests of a Unit, or the uses to which any Unit is restricted, shall require the vote or agreement of the Owner of each Unit particularly affected and the Owners other than the Declarant holding at least 90% of the votes in the Association excluding votes held by the Declarant

25 2 3 All other amendments shall be adopted if consented to by 67% of the Owners

Section 27.1 Form and Delivery of Notice Unless provided otherwise in this Declaration, all notices given under the provisions of this Declaration or the Bylaws or rules or regulations of the Association shall be in writing and may be delivered either personally or by mail.
